

**REVISED ADMISSION AND RETENTION POLICIES
FOR SENIOR HIGH SCHOOL STUDENTS**
(As per Board Resolution No. 26, S. 2020)

A. Admission Policy

1. All Grade 10 completers from the Laboratory School with a final average of at least 85% are eligible to enroll in the LS-SHS Program.
2. For the STEM Strand, (in addition to the above criterion) a student should have a final grade of no lower than 85% both in Mathematics and Science subjects and a percentile rank of 86 and above in the STEM subtest from the Career Examination Result.
3. Forty (40) students shall be accommodated in each class. In case a class has less than forty (40) students, application for admission will be opened to non-LS completers.
4. A non-LS completer applicant must meet the following criteria for admission:
 - a. has a final grade of 95 or higher;
 - b. qualified in the requirements stated for STEM; and
 - c. passed the Admission Test administered by the University's Testing Center.
5. Applicants shall be ranked according to their scores in the Admission Test and the number of applicants that will be admitted shall depend upon the available slots per strand.

B. Retention Policy

1. Admitted students are expected to be of good standing, abide by the academic and non-academic rules and regulations of the University and to contribute to the attainment of the University's mission, vision and goals.
2. A student shall be retained and is considered to be of good standing if he/she meets the following academic and disciplinary standards:
 - a. with a final average grade of 85% or better;
 - b. has no record of disciplinary offense;
 - c. has no grade below 80% for the final rating in any of the subject areas; and
 - d. has no three or more unexcused absences within a month.
3. A student shall be on probationary status during the next semester if he/she has any of the following:
 - a. a final average grade below 85%;
 - b. a record of disciplinary offense;
 - c. a grade below 80% for the final rating in any of the subject areas; or
 - d. four days or more of unexcused absences within a month.
4. The probationary status of a student may be lifted if his/her performance shows significant improvement. However, if a student on probation does not show any improvement, he/she will be recommended to transfer to another school.
5. This policy shall be implemented effective SY 2020-2021 upon approval of the Board of Regents.
